

6th GA Meeting

IOI 2003

Announcements

1. Proposal for **IOI Technical Working Group**
2. Proposal for inclusion of **Java** progr. lang.
3. Consideration of **Linux**-only dev. platform
4. Split **IOI Mailing List**: announce - discuss
5. IOI 2003 Competition **Survey**

ITWG

- Extend ISC with 2 members: **ITWG Chair, 3rd member for IOI'n Host** (for technical matters)
- ITWG Chair proposed by IC & approved by GA, every 3 years; has extensive technical experience
- ITWG members are invited from IOI community, preferably delegation members; serve as ISC *adjuncts*

JAVA

- IC has delegated this matter to ISC
- Item in general ISC meeting on Friday
- **WARNING**: Cannot just keep adding things
- Answer the Java questions in the **survey**

NIOde

- NIO Development Environment
- Used in Dutch National Olympiad (NIO)
- Bootable CD with **Linux** and **progr. tools**
- No need for installation!
- Based on **Knoppix**

IOI Mailing List

- Official **announcements** versus **discussion**
- Archives
- <http://www.IOInformatics.org/>
- <http://olympiads.win.tue.nl/>

IOI 2003 Survey
